

IMPACT HUMAN VIDEO TEAM – LEADERSHIP RULES

1. Be at human video on time. You are expected to be there at 10:25 for prayer.
2. Please call the HV director if you are going to be absent or tell a week ahead of time.
3. Please behave like adults. We are examples to the kids; we should not act like them.
4. Stay with the same human video until after the performance day.
5. Please wear a human video shirt at the performances so we look like a team. (If you don't have one, we can let you borrow one to wear on those days.)
6. You have a commitment to human video which means you need to be there and NOT out talking to friends. No one should need to find you for practice. Your conversations need to end by 10:25 for prayer.
7. Your friends are not allowed to be a distraction for you. You are the teachers, not the students. (I don't want to scold you for acting immaturely.)
8. Please try to be there every week (we will be keeping attendance.)
9. We will set dates to meet and learn the human video. We will learn them as a team and each member will have a part.
10. You need to wear appropriate attire for human video. Make sure your shirts cover your stomachs.
11. You will receive the newsletters as well so you can know the schedule.
12. If the HV director is absent, she will have someone in there to help you keep control of the kids.
13. If you happen to own the CD the song that we are doing is on, we will make a copy for backup, but the original CD will be kept with the human video binder so it is not forgotten.
14. Respect each other. No ideas are bad ones, and also come with a desire to teach.
15. Anyone in leadership over the human video team who continually violates one or more of these rules may be asked to step down from his or her leadership role.
