How many volunteers does it take to run all these ministries?

- Right now, we have **82 teachers/volunteers who serve on a weekly basis**. In addition to that, it takes a rotation of **nearly 150 parents to serve in our nursery and preschool ministries on Sunday morning**, each serving no more than once a month.
- Our Early Childhood Leadership Team of 6 individuals assists me of directing all our ministries for birth thru kindergarten.
- We've got great leaders in place who run our Wed. night kids clubs.
- I currently direct our Kids C.E., and am prayerfully looking to raise up someone to work with me as C.E. Coordinator.
- I direct IMPACT church at this time, and am in the process of developing staff to work with me and to eventually take the leadership of this ministry.

What can the Elder Board to support our Kids Ministries?

- Continue to pray for our kids!
- Actively work towards more classroom space and possibly a gym in our next phase of building
- Continue to keep our kids ministries as a financial priority in our church budget

What could possibly prevent our Kids Ministries from continuing to grow?

- Lack of space (we can not put any more kids in our current facility of classrooms, nursery, etc.)
- Lack of administrative/office help
